

Learn About Our Engaging Curriculum

OPEN HOUSES

At Three Cedars Waldorf School, we educate our students to create the future. Our engaging curriculum and specially-trained teachers inspire creativity and a genuine, life-long love of learning.

Our academic curriculum is fully integrated with performance arts, music, movement, fine arts and practical arts to enhance our students' physical and emotional well-being, intellectual capacities and performance, and healthy moral development.

Please join us to learn how our rich program works with your child's development from preschool through eighth grade.
