## 2012-2013 Notification of School Programs and Policies

Three Cedars Waldorf School is required by licensing agencies to document parents' and employees' receipt of relevant handbooks, policies, and forms. We kindly ask that you carefully review all handbooks available to you on our website school as they include important information.

**Both parents** are asked to initial each acknowledgment below and sign at the bottom of this page, thus indicating that Three Cedars has provided you, as a parent of an enrolled student and/or as an employee, with the full set of school policies and protocols. Copies of all relevant policies and protocols are available on the resources page of our website <http://threecedarswaldorf.org/student-file-forms>.
