

Seeking Applicants for Following Open Position

POSITION: Middle School Team Teacher

SUPERVISED BY: Chief School Administrator

The Eastside Community School, previously Three Cedars Waldorf School

Eastside Community School (ECS) seeks an enthusiastic teacher who connects with middle school aged students, and is excited to help create a thoughtful Waldorf program that meets the needs of today's children.

We have a unique situation of a combined class of fabulous sixth and seventh grade students. They are a curious and playful bunch and we are seeking someone to assist an experienced teacher to carry this class.

The ideal candidate enjoys and has experience teaching in a Waldorf middle school. We are looking for a pioneering spirit who possesses strong listening and communication skills and is enthused about working closely with colleagues to carry Waldorf Education into this new century.

Our inspired and cohesive faculty and administration are deeply committed to providing students with an exemplary Waldorf education. The full program includes: Eurythmy, Japanese, Spanish, Handwork, Movement & Games, Strings, Practical Arts, Choir, and Woodworking (depending on the grade).

Eastside Community School is nestled in the Wilburton neighborhood of Bellevue, WA on 5 wooded acres. Although ECS is new, our community of faculty, staff, parents, and 110 (and growing) children are not--we have operated as a school for over two decades as the Three Cedars Waldorf School. The ECS community includes a dedicated group of parents, faculty, and wider community members who come together to improve and continue our school.

Compensation -- Salary is commensurate with experience. Benefits include health insurance, partial tuition remission, and the possibility for professional development support and mentoring.
