

# Appendix

## Three Cedars Waldorf School and Pomegranate Center Meeting #1

### PROJECT GOAL:

Create a community-owned plan for improving outdoor spaces at Three Cedars Waldorf School

MEETING GOAL: Generate initial ideas

### PROJECT CRITERIA:

- Express the mission of our school
- In service of joyful student learning
- Foster parental engagement
- Extension of school curricula
- Adhere to ordinances and permits
- Natural and possibly salvaged materials
- Hand-crafted
- Volunteer friendly design
- Respect for neighbors & neighborhood
- Doable with the resources available

### GROUND RULES:

- Everyone participates
- Listen in order to discover optimal solutions: together we know more
- Balance
- Respect, no accusations, no blaming
- Maintain a positive attitude, “no” is not enough
- Be willing to hear new information and change your mind
- Look for solutions that meet many important goals

### COMMON THEMES:

- Displaying children's art
- Nature as outdoor classroom
- Gathering place (covered) multi-functional
- Integration with woods (school <---> nature)
- Functional space (multi-functional)
- Increase visibility
- More immersive environment
- Learning/adventure park
- Food (producing/learning etc.)

### IDEAS:

1. Gathering place for parents (covered) (6)
2. Eating area for kids (1)
3. Climbing structure and hang and soft landing (2)
4. Real garden- vegetable and chicken coop (5)
5. Ropes course – nature space (1)
6. Grade focused art – wooden statues?
7. Improve coat shelters
8. Outdoor wood working shelter (1)

9. Soft area for rope jumping
10. Water play area
11. Covered "bus" shelters- where children are picked up & grade focused art (2)
12. Playing/sports field (level for soccer, basketball etc.)(3)
13. Food forest
14. Beautify plaza
15. Beautify parking lot with art (wood statues)
16. Horticulture/science of plants/animals (integrated)
17. Make school visible/way finding sign at front
18. Outdoor theater
19. Outdoor learning space/ "wonder" classroom (system to reserve/sign-up)
20. Replace fences with natural division
21. Fire pole/slide
22. Round seating at outdoor plaza
23. Space for children to move after "drop-off"
24. Multi-purpose outdoor space/multi-functional
25. Restore woods as natural/native habitat (reserve certain area as learning area, not play)
26. Outdoor cooking space
27. Modular outdoor space (ex. shipping containers)
28. Permanent place for structures (ex. Grade 3)
29. Wall structure to bounce balls "Ball wall"
30. Replace black top with "green" parking
31. Outdoor artwork display (children's art)
32. Tree house/platforms in woods
33. Path in the woods
34. Musical structure
35. Earthen oven
36. Integrate nature & woods with play area
37. Labyrinth
38. Student legacy "something" entire class spirit/each grade
39. More swings
40. Make eastern portion of the property more usable
41. Benches
42. Bridge buildings and outdoor spaces
43. Sign on eastern fence
44. Artwork that connects the kids with the sky
45. Develop 'middle' school eastern entryway
46. Protect buildings from flying balls etc.
